

Remarks

The office has required restriction among IV inventions, and has required for the elected invention the designation of a single species for purposes of further examination. Applicants elect with traverse the invention of Group I, genus of claim 15 and the species 4b.2 found on page 389 (specification p. 383-398).

This application is now believed to be in condition for an action on the merits.

Respectively submitted,
